Dr. Forrest C. Allen,
Director of Physical Education
University of Kansas
Lawrence, Kansas

Dear Dr. Allen:

At the suggestion of Ned Irish, a member of this Club, I am writing to you about the possibility of your Basketball Team staying here upon the occasion of its visit to Buffalo.

We are prepared to offer you a special room rate of \$2.00 per man per night, two men to a room, in twin bedded room with a private bath containing both tub and shower bath. Will you please let us know at your earliest convenience whether or not you will wish to stay here during the winter basketball season?

We are experienced in the preparation of proper training meals for athletic teams and if you will at the same time send us the menus you desire, we can give you quotations on the meals you may require.

May we hear from you at your earliest convenience?

Sincerely yours

LB:ME
