Mr. Forrest C. Allen
Director of Physical Education
University of Kansas
Lawrence, Kansas

Dear Mr. Allen:

Upon your departure from the Hotel Belvedere, our cashier neglected to take from the file one bill belonging to Mr. I. Elliott who occupied Room 314. There is therefore an outstanding balance of \$4.00 for the two nights use of this room. I regret very much that this mistake occurred.

May I take this opportunity to say that of all the basketball teams we have had at The Belvedere so far this year, the University of Kansas team was probably the most well-behaved, and we wish to commend you and the team.

With best wishes for the New Year and your continued success, we are

Very truly yours,

HOTEL BELVEDERE
