Dear Dr. Allen:-

We have learned that your team is to play on December 30th, 1942 in Philadelphia, and as this hotel has personally adapted its entire accommodations to the college man, we feel you will be interested in our rates.

As you no doubt know, this hotel is headquarters for practically every college team playing in Philadelphia. Over a generation of experience in catering to the college man and the various teams, has taught us to anticipate their needs, and our trained staff offer you services and appointments you will not find in any other hotel in this city.

We feel confident the following rates will be of interest to you:

Single room with bath - \$3.00 per day.

Double room with twin beds and bath - \$4.00 per day.  
(\$2.00 per day each person)

Three or four men in a large room with bath, each with separate bed - \$1.75 per day each person.

I believe there is a distinct advantage in our being located out of the central part of the city, away from disturbing noises. We are also the nearest hotel to Convention Hall where you play - within walking distance.

Also, we serve training table meals in a private room if you prefer, at reasonable prices. We would be glad to send you sample menus, if you so desire. Should any further information be required, please do not hesitate to get in touch with us. Trusting we may hear favorably from you, I remain

Very truly yours,
