

December 15, 1942.

Mr. R. M. Kinnan,
Department of Physical Education and Athletics,
Washington University,
St. Louis, Missouri.

Dear Bob:

I do not have Mr. Hamilton's address, so I am sending this letter to you and you can pass it on to him, if you will.

Will you kindly send the contract for the game between St. Louis University and the University of Kansas, on January 1, at a guarantee of \$500.00? It is necessary for our Athletic Office to have this on file.

I have today received a wire from George Carson, of the St. Louis Arena, asking for publicity material, and we have asked our sports publicity director, Mr. Charles Elliott, to get that off to him in today's mail.

Very sincerely yours,
