

December 21, 1942.

Mr. Artie E. Eilers,  
Washington University,  
St. Louis, Missouri.

Dear Artie:

I have your letter of the 15th instant concerning officials for our game with St. Louis University on January first. Anything you suggest will be perfectly satisfactory with me.

We have not yet made hotel reservations in St. Louis, and I am wondering if you would be kind enough to suggest a good hotel for us. Most of the hotels where we are staying on our Eastern trip are making us rates of \$2.00 per man in rooms with twin beds. If you could make a tentative reservation for us and then notify my office at once I would appreciate it. There will be sixteen in our party.

Sincerely yours,

Director of Physical Education,  
Varsity Basketball Coach.
