Dear Phog:

You are scheduled to play St. Louis University on January 1st.

For officials I should like to suggest Ronald Gibbs, Mike Riegert and Clay Van Reen. These men are on the accredited Missouri Valley list, not only approved by Washington and St. Louis, but approved by every school in the conference. As a suggestion we could use three officials for the four games that are to be played January 1st and 2nd. May we have your approval to these suggestions?

~~Are you going to the N.C.A.A. meeting in New York?~~

With kind personal regards,

Arthur E. Eilers
Executive Secretary
