Dear Doc,

I am sorry that we were unable to play our double-header in Kansas City with the service schools. I think that I am going to play one of the service bases on my way home from the east, but I certainly would have liked to have been in the double-header with you in Kansas City.

Who do you think we should use as officials in our games at Lawrence and Stillwater next year? As I understand it, a good many of the officials in this section are moving out because of the service, and it is going to be a lot harder to find them. Artie Eilers gave me this information at St. Louis last weekend. I believe we should have two well-known men in our ball games, instead of working some young man into this particular series. I think you know about the group of men that I mean: Parke, Ted, Ab Curtis, These are the ones that come to my mind right now. Of course, Gibbs from Springfield is good, but the expense would be a great deal. I think he is as good an official as you can get. Should we agree on these officials, or turn our lists to Artie and Reeves?

Wishing you a happy summer, I am

Sincerely yours,

H. P. Iba,  
Director of Athletics
