Basketball Coach

Lawrence, Kansas

Dear Dr:

I am sorry for the delay in answering your letter, but I have been about half way in the notion of joining the Navy program.

I am enclosing a copy of our basketball schedule. After comparing our schedules the two dates that seem desirable to me are January 30 at Stillwater and February 17 at Lawrence. I would be glad for you to suggest other dates after looking over our schedule. We would both be through with examinations by January 30.

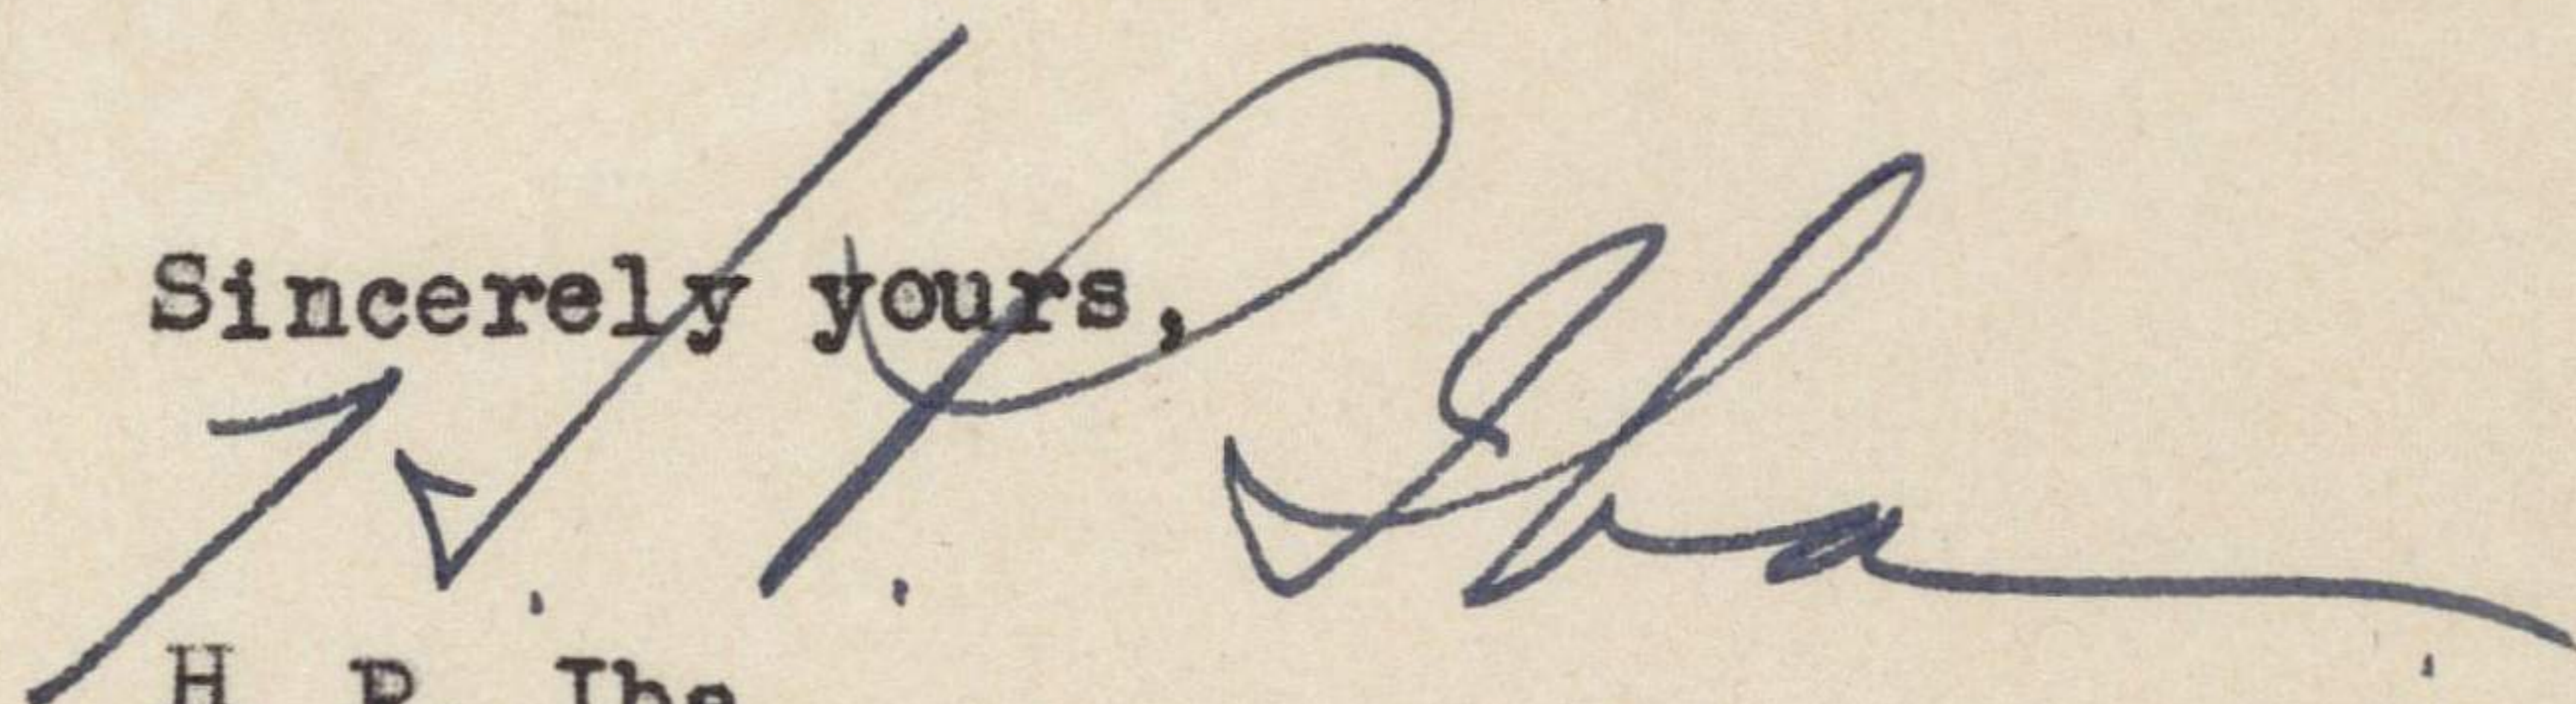

As to officials for our series, I would like to suggest Curtis, Carroll and Gibbs. Gibbs would be O.K. with us, but would not like to have to bring him to Stillwater on account of expense. Will you please suggest officials if these are not satisfactory with you.

I am sorry that you have decided not to make the trip East. I wrote to Ned Irish concerning your playing in the doubleheaders with us, but have not heard from him.

We are definitely interested in playing in the doubleheaders with you against Service teams during the Christmas holidays. What would it be necessary for us to do to get the games set? Would you like for me to write Bernie Bierman and Tony Hinkle?

With best personal regards, I am

Sincerely yours,

H. P. Iba  
Athletic Director
