Mr. Joe Hasel,

Dear Mr. Hasel:

Your letter addressed to the Athletic Director of the University of Kansas has been referred to me for reply.

I will be very happy to participate in your program, and will send you the questions a little later. My subject will bear on Kansas, the Cradle of Basketball. The reason for this is that Dr. Naismith, who originated the game in Springfield, Mass., in 1891, came here to the University of Kansas as Director of Physical Education in 1898 and was here until 1939.

Thanking you for your invitation to appear on your program on December 28th, and assuring you of our willingness to cooperate, I am

Very sincerely yours,

Director of Physical Education,
Varsity Basketball Coach.
