

January 7, 1943.

Mr. Wm. J. Ferguson,
St. Joseph's College,
54th Street and City Line,
Philadelphia, Pa.

Dear Bill:

We returned home and want you to know that we had a fine trip. We appreciated meeting your fine team who seemed to be slightly off of their play on the evening of December 30th.

Our boys will always remember the fine trip they had east during the war years.

Wishing you continued success, I am

Sincerely yours,

FCA:AH

Director of Physical Education,
Varsity Basketball Coach.
