

May 9, 1942.

Mr. J. B. Anderson,
Rockhurst College,
Kansas City, Mo.

Dear "Red":

We will expect you at Lawrence on Wednesday, May 13. The starting time of all our games at home is 3:30. We will plan to play at Ruppert Stadium on May 15.

We have no snapshots or pictures of our baseball group, but the Kansas City Star has a cut of Knute Kresie. I believe they took it when he was playing with Iola or when he played in Kansas City with the all-stars in the B-J League. We are always glad to cooperate with you in matters of publicity but we do not have any pictures of our baseball team due to the fact that they do not go that heavy for the sport here at the University. And too, our photographers that were formerly employed by us are now in the Navy.

If any of your boys have a camera when you come Wednesday you could shoot any pictures of Hodges, the catcher who is a tackle on the football team, and Kresie, and others, and doubtless the Star might use some of that stuff if you could sell them the idea.

Now, regarding basketball. I am still trying to get the dates closed with Creighton. As soon as I succeed in that I will be able to take up the date with you in Kansas City. I have written the Auditorium people appraising them of my effort to close with Creighton, and as soon as I do that I will endeavor to definitely agree upon a date for Rockhurst and advise the Auditorium people.

Sincerely yours,

Director of Physical Education and Recreation,
Varsity Basketball and Baseball Coach.
