Dear Betty:

Our basketball team is playing Fordham in Madison Square Garden on December 28th, and we want you and Leigh and Howard, if he is home from Dartmouth, to be our guests. There will be quite a Kansas conclave, and it will be a pleasure to see you there.

Kindly let me know at your early convenience about the number of tickets you will desire so that I can make the necessary arrangements.

With kindest regards, I am

Cordially yours,
