Dear Waldo:

Our basketball team is playing Fordham University in Madison Square Garden on December 28th, and we want to invite you and Mrs. Bowman as our guests. If you will kindly let me know at your earliest convenience how many you will have in your party I will make the reservations for you.

We are expecting quite a Kansas conclave, and it will be a great pleasure to see you there.

Very cordially yours,

Director of Physical Education,
Varsity Basketball Coach.
