Room 639 John Jay Hall,
New York, N.Y.

Dear Howard:

I am sorry that I have delayed answering your good letter of November 16th. Mrs. Hulteen wrote you regarding our playing Fordham at the Garden on the 28th. She sent you a schedule, and I know that you have had ample time to make arrangements to see us play.

Bobby is at the University of Pennsylvania studying medicine, and Eleanor is a senior there majoring in psychology. They will both be in New York for the game and we are expecting quite a conclave of Kansas people. It will certainly be a pleasure to see you and to hear you yell out that old "Rock Chalk, Jayhawk, K.U."

Very sincerely yours,
