Mr. Ned Irish,

New York City, N.Y.

Dear Ned:

We have made tentative hotel reservations with the Hotel Philadelphian for December 30th, but I am waiting to hear from you before I make this definite. They have quoted us rates of \$2.00 per person for a double room with twin beds.

I want to be sure that you recommend this hotel before making a definite reservation. May I hear from you by return mail?

Our team is not going so well, but we will do the best we can under the circumstances.

Cordially yours,

Director of Physical Education,
Varsity Basketball Coach.
