Mr. Gwinn Henry,  
Director of Athletics,  
University of Kansas.

Dear Director Henry:

As coach of the freshman basketball team I recommend herewith the following men for their basketball numerals and sweaters. These men have been very consistent in their faithfulness in reporting for practice and their loyalty to the group. Out of this group I believe that we have some likely candidates for future varsity.

Bob O'Neil, I believe, received his numeral and sweater in football.
