Mr. Tom Dorney,
Athletic Director,
Ward High School,
Kansas City, Mo.

Dear Tom:

We have a game on December 11th with Rockhurst College in the Municipal Auditorium. I have talked to Tom Van Cleave and asked him to see if we couldn't arrange a game between Ward High School and Rockhurst High as a preliminary to our game, and I understand that Ward and Rockhurst are agreeable to this. I am writing you for a final confirmation. If your school is willing to play we will be very happy, and we will fix up the necessary complimentaries for faculty, coaches, and so forth for this game.

I have written Lou Lower, director of the Auditorium, suggesting that he have a special ticket made to be sold only by the high schools at the principal's office to high school students, say for 25¢. Then give the high schools half of that and we would count the other half on gross sales for the auditorium. This would give the high schools an opportunity to make a little money, and still permit many of the Ward followers to see the game at a nominal cost.

As soon as Lou writes me I will inform you, and I will appreciate a letter from you confirming your permission to play Rockhurst.

With all good wishes, I am

Very sincerely yours,

Director of Physical Education,
Varsity Basketball Coach.
