Mr. Ned Irish,

New York City, N.Y.

Dear Ned:

I am just leaving for a meeting, but hasten to acknowledge your letter of April 7th.

I have scheduled a game here in Lawrence for pretty late in December, and we have a possibility of playing a double-header in Kansas City about the date that you mentioned.

What is the deadline on making up your schedule? If you would give me a week or ten days I might work out something on that. It rather appeals to me.

Sincerely yours,
