

December 3, 1942.

Mr. Ned Irish,
9 Rockefeller Plaza,
New York City.

Dear Ned:

Mr. Lacy Haynes, director of the Kansas Bureau of the Kansas City Star, will be with Mrs. Haynes and their son, Lacy, Jr., who is in the Navy and resides at the George Washington Inn, Washington, D. C.

Will you kindly take care of Mr. Haynes in the matter of tickets, as he is an especially good friend of mine. He or his son may call you from Washington or New York, and I will appreciate it if you will give your own personal attention to this reservation. Of course these are to be complimentary tickets or are to be charged to us.

The reason I am not asking you to send them to Mr. Haynes is because he had planned to leave New York on the 26th of December, but is waiting over to see our game if he can arrange his transportation. So I would rather you hold the tickets until he calls you.

Very cordially yours,

Director of Physical Education,
Varsity Basketball Coach.
