Dear Doc:

Please pardon the delay in answering your letter of September 14th.

I believe that we are all set now for a Basketball Team as we have eliminated the uncertainty and it now appears as if we are definitely set for a Basketball schedule.

I sincerely appreciate your including our Team on your schedule, and as much as we are so late in getting started, we will arrange the game with Kansas at a time that will be of the most convenience for you.

We are confronted with the situation of having no gymnasium here at Leavenworth, as the gymnasium which we planned on using is now in use for the student Officers in the Command and General Staff School. Would it be possible for your team to play us at the High School gymnasium in Leavenworth, the Auditorium in St. Joseph, Missouri, or the Municipal Auditorium in Kansas City, Missouri?

I feel that it would be profitable to both Kansas University and to ourselves if we could arrange to play our game in either the St. Joseph auditorium or the Kansas City Auditorium.

I fully agree with you that both the financial problem and the automobiles will give all the Schools engaged in athletics many additional problems.

I will appreciate a reply from you at an early date.

With kindest personal regards and best wishes, I am

Ted J. O'Sullivan
