Lieut. Ted J. O'Sullivan,
Special Services Officer,
Reception Center No. 1773,
Fort Leavenworth, Kansas.

Dear Ted:

Thank you for your good letter of the 21st instant. Camp Crowder is anxious to play us, and the only way we can play both teams, Fort Leavenworth and Camp Crowder, in Kansas City is for the Jayhawkers to play both teams the same night. If we brought in another team that wouldn't suit Camp Crowder.

The uniqueness of having Kansas play both teams the same night will add to the attraction. Our team will be large enough that we can shift the boys back and forth. I think this will be our only chance to play the soldiers in Kansas City, and I know the soldiers like to be in the city on Saturday night - or do they, Ted?

I certainly approve of your plan to give your boys an opportunity to get into Officers' Candidate School as soon as possible.

Of course we have a lot of games on our schedule, and we can't pay you much when you play over here. I presume that you will have your own transportation. December 1st will suit us fine, and this game will perhaps be thrown open to the Navy boys stationed here at the University.

These two games, January 16 and December 1, are, of course, subject to approval of Gwinn Henry, the Athletic Director, and the Athletic Board. But I am definitely making this arrangement and will let you know as soon as I have their approval.

Very sincerely yours,

Director of Physical Education,
Varsity Basketball Coach.
