

U. S. NAVY PRE-FLIGHT SCHOOL
IOWA CITY, IOWA

November 25, 1942

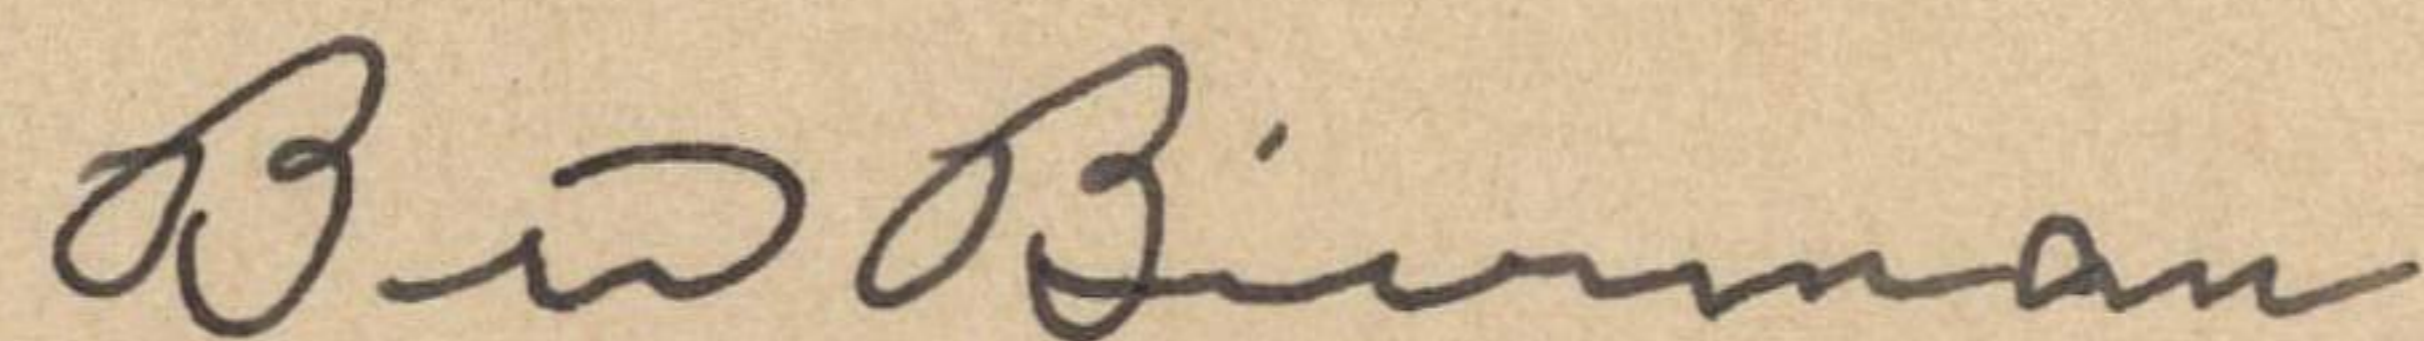

Dear Mr. Allen:

Lack of facilities for the proper conduct of Varsity Basketball without curtailing some portion of the daily Physical Training Program has made it necessary for us to cancel all scheduled Varsity Basketball Games.

On November 6, 1942, Lt. Comdr. Snyder wrote requesting that you drop the Pre-Flight School from your schedule. Due to the fact that of recent date we are still receiving inquiries concerning contracts, officials and other such information, we are again writing to make sure that you have been properly informed.

We are sorry that this cancellation has been made necessary.

Cordially yours,

B. W. Bierman
Lieut. Colonel, USMCR
Athletic Director
