Lt. Commander Larry Snyder,  
Naval Aviation Pre-Flight School,  
Iowa City, Iowa.

Dear Larry:

I acknowledge receipt of your favor of May 28th. We are sending a contract similar to the one we sent Tony Hinkle for the Great Lakes game. I trust this is entirely satisfactory.

Reaves Peters, 342 So. Chelsea Ave., Kansas City, Mo., is our Big Six commissioner, and he picked the officials for the Great Lakes game last year. I am wondering if you would write him telling him whom you would desire to officiate our game. His position with the Big Six is similar to that of Major Griffith in the Big Ten.

Who will be coaching the University of Iowa basketball team next year? I wrote Commissioner Peters that there would be a change in the Iowa coaching set-up as per your letter, and doubtless the Iowa coach will desire to recommend some names to Commissioner Peters. It is for that reason that I am asking so that we may get the officials for all our games straightened out.

Sincerely yours,
