Dr. F. C. Allen,
University of Kansas,
Lawrence, Kan.

Dear Dr. Allen:

Yesterday I sent you a letter which passed yours of the 27th in the mails. Had I waited until this morning it would not have been necessary for me write since you answer all of my questions.

Jack Gardner's team is a highly acceptable substitute for Iowa Pre-Flight as far as Missouri is concerned. Don't beat them too badly this week end or you might take a little edge off their drawing power later.

Yours truly,

Geo. R. Edwards.
