Dear Dr. Allen:

Sorry to have to bother you at this time but it is necessary that we make a financial settlement for our basketball games of January 16, 1943 played in Kansas City and of January 23, 1943 here at Camp Crowder.

Our accounts are inspected every month and we are facing the February inspection soon and thus the necessity for an immediate settlement.

We would appreciate hearing from you concerning this matter by return mail.

Sincerely yours,

William F. Krickhan, Jr.
