Great Lakes Naval Training Station,  
Great Lakes, Illinois.

Dear Tony:

I am sending you a check from the Athletic Association for \$1576.22 for Great Lakes share of the two basketball games on January 29 and 30 in Municipal Auditorium.

I am also sending you a box office statement for the two games, together with the Municipal Auditorium box office settlement. The referees, announcers, and so forth were arranged and paid for by Mr. Reaves Peters, the Commissioner of the Big Six. He submitted his statement to the management of the Auditorium and they paid the bill. And then the net amount was turned over to us and we are sending you one-third of this amount after \$300.00 had been deducted for the Olathe Air Base. You remember that Jack Gardner was to get \$150.00 a game. We greatly enjoyed the game with Great Lakes. You have a great outfit.

Very cordially yours,

Director of Physical Education,  
Varsity Basketball Coach.
