Dear Mr. Allen:

I received your letter regarding the officials for our games which will be played next Monday and Tuesday nights. I feel sure that Don Elser is O. K., but I had rather have the Big Six officials. I saw O'Sullivan work in the N.C.A.A. tournament and was very much impressed with his officiating. It would please me very much if you could use him for umpire in both of our games.

Looking forward to a visit with you and Mrs. Allen, I am

Yours sincerely,

Jack Gray
