Dear Ted:

I am enclosing a schedule of our basketball games and you will see that doubtless I made an error in mentioning February 16. It is February 17 at Stillwater and I sincerely hope that you can work our game.

Now regarding the interpretation meeting for basketball on Sunday, December 8. We planned to have the opening meeting at (say) ten or eleven o'clock. I am waiting on Artie Eilers to approve this, and if he does, then we can plan to set the meeting for discussion at eleven and run it until two o'clock. I would like very much to have the officers of the Midwestern Intercollegiate Officials' Association assist me. Personally, I would like to have you and Parke Carroll carry the ball. Doubtless E. C. Quigley may want to help, but my thinking was this. I would conduct the rules changes and get you officials to have a group up on the floor say about 12:30 over in the K. C. A. C. gymnasium.

I am sure that you, Parke and I could make a good meeting out of this. We would make it snappy and get through on time, and still leave the people with some definite information. On the rules changes I would be glad to have you people with me in bringing these before the group, and I would be glad to cooperate with you on the floor when we get our players there.

Won't you write me and tell me if the set-up that I proposed is agreeable to you and Parke. You can say to Parke that we want him, and if he desires a letter from me, I will be glad to write him. But you and he, being in close proximity to each other can work the thing out in good shape. If we organize this thoroughly, we will have a fine meeting and I thank you for your offer of aid and cooperation.

With all good wishes, I am

Dear Henry:

I acknowledge receipt of your letter of the 26th instant together with two contracts for two games which I have turned over to Earl Falkenstien, Financial Secretary of the Athletic Department, who will in turn refer them to Mr. Gwinn Henry for signature.

I quite agree with you that these two games are pretty tough for a youngster, and it might be the better part of wisdom to use men who have had longer experience in the game. For that reason, I am perfectly willing to agree to Parke Carroll and Ted O'Sullivan, if they can be procured.

In keeping with your nominations, I just now dictated a short note to each one of the two and asked them to serve. If you will do likewise I assure you I would be very happy to close the matter of officiating at an early convenience.

We are playing our freshmen here Friday night, December 6, so we will not come in until Saturday night, and inasmuch as some of our Big-Six coaches have games on the 7th and some on the 9th, we are planning to meet on Sunday morning, December 8. I thought it would be wise to have the open meeting of the Fifth District N.C.A.A. on Sunday morning at 11:00.

We certainly will be happy to have you here as our guest on December 9 when we play Texas.

Dear Doc:

I am enclosing contract for our games at Stillwater and Lawrence. Will you please have Gwinn sign and return one copy to us for our files.

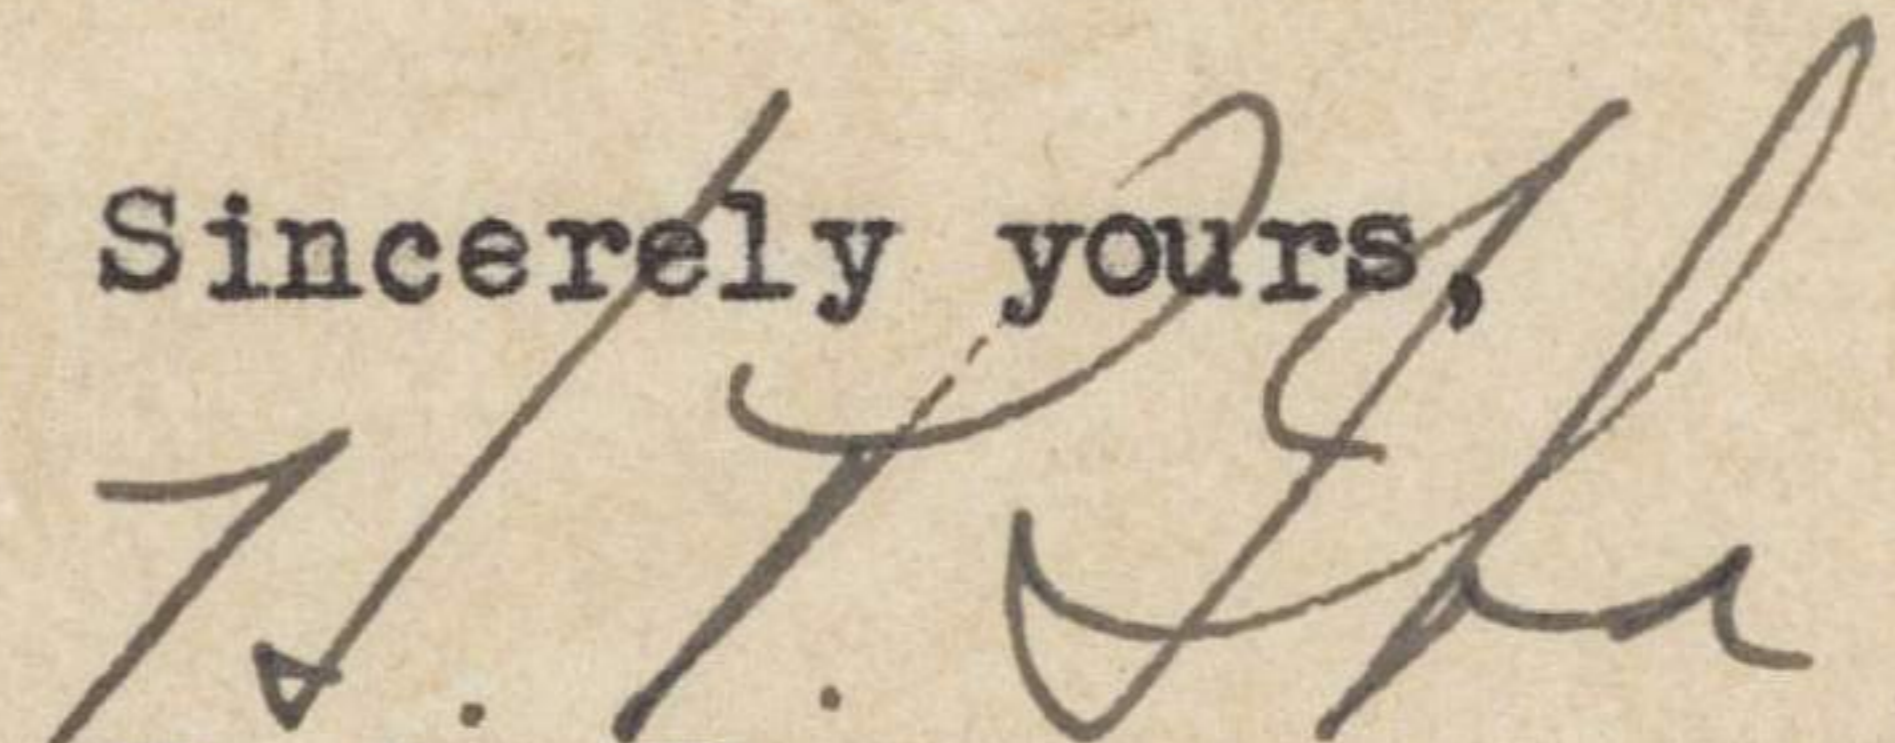

In regards to officials, I would rather use some of the older officials rather than try to break in a young official in these games. I had a letter from Bud Browning and also a copy of your letter, and I told Bud I would be willing to use him in some of our games but that I thought the Kansas game was not a good game to break in on.

I would be willing to use Parke Carroll, Dick Pendleton, Ab Hinshaw, Ted O'Sullivan or George Gardner. If we cannot agree on two officials from this list, will you suggest men that you think can handle the games satisfactorily.

I will see you in Kansas City at the December meeting on the 6th or 7th. I am going to stay over and see your game with Texas on December 9. We play Texas here on December 11.

Dear "Hank:"

This will acknowledge receipt of your favor of the 20th instant regarding the possible change of our game at Stillwater from February 17 to 18.

I am very sorry, Henry, that I can not accommodate you in regard to this date. We are playing the University of Missouri at Columbia on February 21, and since that is our big game of the year, we desire very much to return to Lawrence in time to get ready for this tough encounter. I want to assure you that if it were not for conditions being as they are it would be a pleasure for us to make the change.

You may send the contract at your convenience, and it will be agreeable with me to make the contract read the same as last year. I would appreciate it if you would nominate a list of officials.

Mr. Henry P. Iba,
Oklahoma A. & M. College,
Stillwater, Oklahoma.

Dear Henry:

It seems as if we are always in a peck of trouble. This morning we received notice from the chancellor's office that they had scheduled a lecture on the night of February 18th.

The School of Fine Arts has a concert course, and there is a University lecture course, and all of this takes priority over our basketball schedule.

I had reserved some of the dates before I wrote you. We now have word that we cannot have this date, February 18, so we are just as much in the air now as we were before. I am wondering if we cannot start anew and try to arrange a pair of games.

I regret this more than you know because last year we were in the same boat on our dates with you. They take the auditorium for most anything they want, and still we are forced to play there and cannot play elsewhere. I am glad that you have a place where your school calendar does not cause you to lose your every day religion more than seven days a week.

I will appreciate a letter from you at your early convenience.

Sincerely yours,

Director of Physical Education and Recreation,

Mr. Henry P. Iba,
Director of Athletics,
Oklahoma A. & M. College,
Stillwater, Oklahoma.

Dear Henry:

I have your letter of June 21 in which you state that it will be impossible for you to play on December 7th.

I explained to you that we are playing the University of Texas here on December 9 and 10. We previously had Texas scheduled for the 13th and 14th, but that interfered with the Christmas vesper practice periods which are scheduled for that week-end in the auditorium, and the administration forced us to change the dates. I would liked very much to have played you around that time, but since we had a two-year contract with Texas and they were to play here we had to close with them for the 9th and 10th, the only dates that they could play. And the fact that you are playing in New York on the 14th would preclude the possibility of our playing you early in December, unless we would play you on the 8th. That would give us but two days to get ready to play the two-game series with Texas, and I presume you don't want to play any earlier than that, do you?

Let us close on February 17th at Lawrence.

Now, the only other spot on the schedule, after studying both yours and mine, would be to play the early part of the following month, say March 13th. That looks pretty late, but the only time that I see we can get in a game unless we play it at that time. Will you please study both schedules and see if you can improve upon this suggestion? We will count the 18th of February closed, and await your suggestions for the other game.

Very sincerely yours,

Director of Physical Education and Recreation,
Varsity Basketball Coach.

Dear Henry:

I have just received your letter of May 27th, and I find that due to certain commitments with the University of Texas on a two-year contract we are to play them here on December 9 and 10.

We had previously tried to arrange these games on the 16th and 17th, after having had to change from the 13th and 14th on account of our University calendar. I wrote Ed Olle, the Business Manager of Athletics at the University of Texas, as follows:

"If you cannot make the change mentioned above, we could play you the fore part of the week of December 8th, - say the 9th, 10th, and 11th."

We have, therefore, made arrangements to play them here on December 9th and 10th.

I am sending you our schedule, together with our school calendar, and I wish you would send me your schedule. Then I am sure we can get together on some dates. May I hear from you soon so that we may get our dates settled?
