Dear Ted:

I am enclosing a schedule of our basketball games and you will see that doubtless I made an error in mentioning February 16. It is February 17 at Stillwater and I sincerely hope that you can work our game.

Now regarding the interpretation meeting for basketball on Sunday, December 8. We planned to have the opening meeting at (say) ten or eleven o'clock. I am waiting on Artie Eilers to approve this, and if he does, then we can plan to set the meeting for discussion at eleven and run it until two o'clock. I would like very much to have the officers of the Midwestern Intercollegiate Officials' Association assist me. Personally, I would like to have you and Parke Carroll carry the ball. Doubtless E. C. Quigley may want to help, but my thinking was this. I would conduct the rules changes and get you officials to have a group up on the floor say about 12:30 over in the K. C. A. C. gymnasium.

I am sure that you, Parke and I could make a good meeting out of this. We would make it snappy and get through on time, and still leave the people with some definite information. On the rules changes I would be glad to have you people with me in bringing these before the group, and I would be glad to cooperate with you on the floor when we get our players there.

Won't you write me and tell me if the set-up that I proposed is agreeable to you and Parke. You can say to Parke that we want him, and if he desires a letter from me, I will be glad to write him. But you and he, being in close proximity to each other can work the thing out in good shape. If we organize this thoroughly, we will have a fine meeting and I thank you for your offer of aid and cooperation.

With all good wishes, I am

Sincerely,

Director of Physical Education and Recreation
