Mr. Henry P. Iba,
Oklahoma A. & M. College,
Stillwater, Oklahoma.

Dear Henry:

It seems as if we are always in a peck of trouble. This morning we received notice from the chancellor's office that they had scheduled a lecture on the night of February 18th.

The School of Fine Arts has a concert course, and there is a University lecture course, and all of this takes priority over our basketball schedule.

I had reserved some of the dates before I wrote you. We now have word that we cannot have this date, February 18, so we are just as much in the air now as we were before. I am wondering if we cannot start anew and try to arrange a pair of games.

I regret this more than you know because last year we were in the same boat on our dates with you. They take the auditorium for most anything they want, and still we are forced to play there and cannot play elsewhere. I am glad that you have a place where your school calendar does not cause you to lose your every day religion more than seven days a week.

I will appreciate a letter from you at your early convenience.

Sincerely yours,

Director of Physical Education and Recreation,
Varsity Basketball Coach.
