Director of Athletics,
University of Wichita,

Dear Al:

I am sorry to know that you have been laid up with a bad foot. I had written to Bill quite some time ago and was just wondering what had happened, when a letter from Henry Levitt came in.

I am teaching eight weeks here in the Summer Session. I am writing to Henry to find out if he will be in Wichita during the summer. If I have an opportunity I will drop down there for a talk with him, hoping that you and Bill will be in town.

I talked with Henry in a general way regarding the Forum, but all financial arrangements had not been worked out to my clear understanding, and I think we had better have a talk before we sign up definitely.

With best wishes, I am

Sincerely yours,

Director of Physical Education and Recreation,
Varsity Basketball Coach.
