Mr. Earl Falkenstien
Financial Secretary
Athletic Department
University of Kansas

Dear Earl:

I have been expecting to pass this message on to you personally, but I find that I am very negligent so I am writing a note.

Dr. Ward Weltmer of Beloit saw me in Beloit last Friday night when I was there to speak at the dedication ceremony for their new high school stadium. Dr. Weltmer desires two Iowa State-Kansas tickets sent to him. He plans to drive from Beloit to Rochester, Minnesota to the Mayo Clinic and will stop in Ames, Iowa to see the game between Iowa State and Kansas.

If you do not have any tickets, will you kindly write him and inform him where the tickets may be had. I think Dr. Weltmer would consider it a kindness, if you do not have any tickets, if you will write Merle Ross to reserve two tickets for him, and Dr. Weltmer can call for them when he arrives in Ames.

I presume the game is scheduled to start at 2:30 P.M. but I judge he would like to know the time the game is to start.

Very cordially yours,

Director of Physical Education and Recreation
Varsity Basketball Coach
