Mr. Henry Iba,  
Basketball Coach,  
Oklahoma A. and M. College,  
Stillwater, Oklahoma.

Dear Henry:

I saw Elwyn Saturday and he delivered your message to me.

I am sending you my basketball schedule and wish that you would do likewise by sending me yours. I am leaving the latter part of the week for the Rules meeting in New York, so I imagine we will not get around to arranging dates until after I return.

I am wondering how you would like to play your first game with us on the basketball clinic that we have after the rules meeting sometime around December 1 or 2, Friday or Saturday night. Then you pick out a date that you would like to have us down there.

With all good wishes, I am

Very cordially yours,

Director of Physical Education,  
Varsity Basketball Coach.
