Mr. Earl Falkenstien

Dear Earl:

An uncle of Howard's in Kansas City, Missouri desired that you save him two good tickets. He handed me the attached card when I attended the Naismith opening in Kansas City last week. I imagine he will call Monday night for his tickets. Howard may want to take care of him, but he talked to me as if he wanted to buy them.

If he calls at the window you will be advised of the fact that he wants these tickets.

Sincerely yours,

Director of Physical Education and Recreation
Varsity Basketball Coach
