Dear Mr. Sachs:

As stated in my wire to you yesterday, it is impossible for us to play on January 29. Your guarantee for January 8 is not at all tempting to us. Our conference guarantee is \$400.00 for all games with much shorter distance hauls than Chicago. We would not consider it for a cent less than \$600.00. Ralph Miller unquestionably will be the DeBernardi of the Big Six conference this season.

If we had an exceptional picture of this young man we would do a color plate of him like the one recently published of OU's McNatt.

A characteristic candid picture of Miller, with a clear facial study, would fit in nicely.

If your cameraman is unable to produce a picture of this nature, perhaps we can pick it up ourselves when you come down to play OU. That would be rather late in the season, however.

Personal regards.

Sincerely,

SPORTS EDITOR.

STRONG A&M TEAM HERE NEXT TUESDAY

Coach F. C. "Phog" Allen's Jayhawker basketball team, easy winner over the freshman squad last week, will have all it can handle in the form of Oklahoma A. and M. in the season's opener Tuesday, Dec. 5, in Hoch auditorium.

STATE OF THE PARTY OF

Last year Kansas dropped two games to the Cowboys at Stillwater, and took the single return game here late in the season.

Henry Iba, crafty skipper for the Oklahomans, has another powerhouse coming up this year and should prove one of the toughest foes the Jayhawk cagers encounter all season. Following is an A. and M. dope story taken from the Daily O'Collegian, student paper at Stillwater:

"For the coming season Iba has some of the best material ever assembled at a midland school, Former all-state high school players from three states are among the 20 varsity candidates that include eight lettermen, two squadmen and 10 sophomores.

"Except for one guard, Iba could start the same team Tuesday night that finished last year's campaign. Forwards Harvey Slade, senior, and Gene Smelser, junior; Center Jess Renick, senior and Guard Howard Doyle, senior, are all back this year.

"However, Iba plans to use Renick, picked as a forward on the All-Missouri Valley conference team of 1939, at either a forward or guard berth. Slade, too, may be shifted to a guard position.

"Other returning lettermen are: Forwards Art Johnson, senior; and Harvey Pate, junior; Center Howard Francis, junior; and Guard Jack Hopkins, junior.

"No doubt some of the lettermen will have to hustle to make Iba's club this season with so much fine new talent available.

*Four six-foot, five-inch centers are paced by Vernon Schwertfeger, a junior college transfer from Dodge City, Kansas. Three sophomore pivot men are Herb Kirchmeyer, Cushing; Eugene Bell, Jay; and Herschel Gray, Chickasha.

"Bidding hard for a forward position are four cracker jack sophomores, L.J. Eggleston, J.T. Newman, Charles Scheffel and Roy Gardner. Eggleston is a former all-Oklahoma high school forward who averaged 21 points a game for his four years at Walters, Oklahoma. Newman counter 822 points for 40 games in his senior year at Williams high of Quanah, Texas. Scheffel and Gardner were stars of strong Enid and Ramona high school teams.

"Three sophomore guards include Leroy Floyd, twice all-Kansas high school guard from Argonia, Kansas; Bud Milliken, all-Missouri high school guard in his senior year at St. Joseph, Missouri; and Ralph Clovis of El Reno. A junior college transfer at guard is Lee Ryser."

I acknowledge receipt of your favor of the first instant, and am very happy to enclose contracts signed by Gwinn Henry indicating the two games that we are to play - December 5 in Lawrence and February 15 at Stillwater, for a reciprocal guarantee of \$400.00 with option. This is the basis of all our games, and I imagine all of yours.

Mould it not be well to agree on the same officials for both games in Lawrence and Stillwater? I would be very happy to have Parke Carroll and Ted O'Sullivan to work both contests if agreeable to you.

Congratulations on the arrival of the third member of the Iba family. Sam Sifers tells me that everybody is getting along splendidly and the Ibas are very happy concerning the arrival.

Dear Dr. Allen:

I am writing you in regards to our basketball games
December 5 at Lawrence and February 15 at Stillwater.
We do not have contract covering these games and would
appreciate it if you would mail contract. We are
willing to play on same agreement we had last year,
that is, \$400.00 or option, or it would be agreeable
with us to play on basis of \$400.00 flat guarantee.
Whichever way you care to make the contract will be
satisfactory with us.

Since it is only about a month until we play I think we should get together on officials. I am submitting herewith a list of men satisfactory with us and would appreciate having a list from you. The following men are agreeable with me: Ab Hinshaw, Dick Pendleton, Parke Carroll, Earl Jones and Ted O'Sullivan.

Wishing you a very pleasant year, I am

Dear Henry:

Thank you very much for your kind letter of the 15th instant, confirming our dates with you.

You ask if the revised rules in basketball have been completed yet. Mr. Porter, of Chicago, has sent me a copy of the special edition of the basketball rules, edited by himself and Oswald Tower. The price is 20%, and by writing to him I believe you could get a copy. He has also sent me a copy of basketball play situations. The address is =

By the way, I heard the news that you were expecting the arrival of an heir in the Iba household, and I trust that everybody is getting along exceptionally well. In addition, I hope you have a fine coaching school this summer.

Dear Dr. Allen:

The dates of December 5, at Lawrence and February 15, at Stillwater, for our basketball games the coming season will be very satisfactory with us.

I presume that since we are playing first at Lawrence this year it will be your place to send the contract. It will be satisfactory with us to make the agreement with same guarantee, etc., as last year.

Have the revised rules in basketball been completed yet? If so, would you be so kind as to send me a copy.

Dear Henry:

I just noticed from our University calendar that our Thanksgiving vacation starts on November 29 and does not end until December 4. I do not know how this slipped my mind previously, but it was just one of those things.

I was hoping to have the basketball interpretation meeting on Saturday, December 2, but I believe the meeting of the Big Six and other conferences is the second Friday and Saturday in December, and that would throw this plan out of gear.

I would like to play you in early December. I've got to get in some games in early December somehow, and with this conflict here in the auditorium with the early Christmas vespers, I am having quite a difficult time. We are playing Salle We here December 15 and 16, but we do not have our University of Texas games arranged as yet.

I am wondering if we could meet you December 5 instead of December 2, as our school does not open until the 4th. This would allow our students to see the game, when the other way it would be impossible.

I shall be glad to hear from you.

Very sincerely yours,

Director of Physical Education, Varsity Basketball Coach.

Dear Dr. Allen:

I am sending you a copy of my conference schedule. I would be interested in playing you at your basketball clinic on December 1 or 2, but first I will have to get permission from the Missouri Valley Conference to play before the 10th. I feel sure that I can do this.

I believe, if it suits you, I would rather play on December 2. After looking over your schedule and comparing it with ours, I believe the best possible dates we have for a game at Still-water would be between February 12 and 17. We would be glad to have you in Stillwater on February 14 or 15. We would prefer the 14. If these dates do not suit you, please suggest dates.
