Dr. Forrest C. Allen,
Basketball Coach,
University of Kansas,
Lawrence, Kansas.

Dear Dr. Allen:

I am sending you a copy of my conference schedule. I would be interested in playing you at your basketball clinic on December 1 or 2, but first I will have to get permission from the Missouri Valley Conference to play before the 10th. I feel sure that I can do this.

I believe, if it suits you, I would rather play on December 2. After looking over your schedule and comparing it with ours, I believe the best possible dates we have for a game at Stillwater would be between February 12 and 17. We would be glad to have you in Stillwater on February 14 or 15. We would prefer the 14. If these dates do not suit you, please suggest dates.

Sincerely yours,

H. P. Iba,
Director of Athletics.
