Mr. Forrest C. Allen
Director of Physical Education and Recreation
University of Kansas
Lawrence, Kansas.

Dear Mr. Allen:

Your letter of the 29th reached my desk this morning and we will indeed be happy to have the University of Kansas Basketball Team with us when they play Chicago on the 8th of this month.

We can put your boys in large rooms with private shower baths, two or three to a room and furnished with individual beds at \$1.50 per person. One of our large rooms with private bath will be set aside for you with our compliments.

Our catering department will work with you in planning meals that will coincide with your training rules. Our dining room serves the famous Harding "Just Wonderful Food" made popular through the many John P. Harding Restaurants in Chicago.

The Winter Furniture Market opens in Chicago on January 8th at which time we will be booked to capacity, however, you may rest assured we will take good care of the boys and are mentioning this in the event it is necessary to put three men to a room in some cases.

Will you kindly confirm your arrival by collect wire so we may be in readiness for you when you reach Chicago.

Very truly yours,
ALLERTON HOTEL,

Ken Williams
