Dear Dr. Allen:

I was exceedingly sorry I could not accept the assignment to work in your Texas Relays with Southern Methodist Dec. 18 and 19. I had why conditions are as they are but I realize it would be perfect a game Dec. 18? and I realize it would be perfect to have the same set of officials both nights.

However I do want to thank you for offering me a chance to work in the Games. If ever nice of you to do so and I appreciate it.

Thanking you with very best wishes I am,

Yours truly,

A. T. Hinshaw,
District Sales Manager.
