Mr. H. A. Dolman, Jr.,
Asst. to Director of Athletics,
Oklahoma A. and M. College,
Stillwater, Oklahoma.

Dear Mr. Dolman:

Our scorekeeper did not have the box score of either game played at Stillwater well done, and I am wondering if you will kindly send us a transcript of both games so that it will show the progressive score of the first half and the second half, and the box score, for both games. We desire to use this for our official score book.

We shall greatly appreciate your kindness in sending this record.

Sincerely yours,

Secretary to Dr. F. C. Allen,
Varsity Basketball Coach.
