Coach Forrest C. Allen
Basketball coach
Kansas University
Lawrence, Kansas

Dear Phoy:

Waldorf has decided to give up all his basketball schedule this year and as he was supposed to work our game along with Ted O'Sullivan, I thought we had better get together on another official. Would Ab Hinshaw be satisfactory?

I would also like to know what rise there is in this new convex basketball back stop. I am planning to put one up to experiment with. Best wishes and kindest personal regards.

Sincerely,

Tom Scott, Basketball Coach
