Kerwick. 9 Aug. 1836

Dear Sir

I have just received the Prospectus of the Catalogue of your excellent Father's collection of MSS. & shall be obliged to you to place my name on your list as a Subscriber. The copy may be sent to Messrs Longmans, & I believe the readiest way of settling for it will be by payment there, such will be made, if asked for, on delivery.

I remain Dear Sir

Yrs with anxious respect

Robert Southey
