

To have you as companion of
the trip I would gladly abandon
any part of the proposed excursion
except the visit to Glasgow, and re-
duce the time to the shortest practi-
cable space.

I sent a note to you yesterday
with a valuable inclosure which
my confidence in British mails
enables me to hope reached you safely.

With great regard
I am your friend
Jeffrey David

Jas. Spence Esq
 10 Abchurch Lane, Square.
