Dear Sir

I have your letter mentioning your proposed pilgrimage to Melrose with Mrs Sherburne & Mr & Mrs Key and have only to reply in laudatory & belated phrase

I hope you'll dine at Glenochter

My wife will be particularly glad to have an opportunity of thanking Mrs Sherburne for a long train of hospitality to me and for having bed rooms for the party. I hope you will bring Miss Sherburne with you. I think you will meet Mr James Mullenbyne who gave me some hopes to that effect. I had a few lines from Robert & am glad to see he is well and on good hopes

I am dear Sir
Yours truly

W Scott
