24th May, 1888.

Dear Mr Maurice,

I can't say that I
know Saffi, though I had the pleasure
of meeting him at Edinburgh in '83.
I shall, no doubt, see him in Bologna
& shall deliver your greetings.

I am very much obliged
by your kind offer, & shall be glad
of a letter to him from you.

Faithfully yours

J. H. Lowell.
