

Dear William

72 Elsdam Road

Thursday - 7/6

I shall Telegraph to Watts that I meet him
at dinner tomorrow at 7 at your home.

Knowing you dislike Telegrams, I write to
say I will be with you about 9 this eve.

Mathilde, who is going to Mentone tomorrow,
having asked us to dine with her on strength of Mr.
Stillman's engagement having fallen through. But
we have not yet been put off. Yours till to night
