

5 ENDSLEIGH GARDENS.

N.W.

27 August 186.

Dear Mr. Little, The
enclosed reached me
the other day. You see
it is unsigned. I don't
know who the writer is,
nor whether his money
ever reached me: if it
did, I can safely say
that I sent it on to Pres.

ton. If your papers don't enable
you to trace out the facts, you
might perhaps think it well to
refer to Mr. Clausen - or to Prof.
Pierce. From the seal on the en-
velope I judge that the writer's
surname probably begins with C.

Yours very truly,
Wm. Brewster.
