CORDIAL GREETINGS AND BEST WISHES

FOR THE NEW YEAR

Agriculture and Youth League
was looking forward to the coming
year of "Peace through justice
to the farmers" and we were all
going (cooperatively) and
full of enthusiasm; and

then you were working on
the Countryman and work-
ing it as an outstanding
publication, and I judge
you are still bearing the
burden and fighting the
good fight, and I am
glad you are not over-
the expression of my sincere
admiration.

Yours faithfully
