Dearest Lucy -

a line to inform you we  
are here safe & comfortable  
(same hotel we were at with you  
& within two years ago) after  
a delightful passage & fine  
weather to walk about here.

We arrived at Ostende at  
2 & got on by train by 3.45  
& walked about till 5.

Tomorrow we spend about  
half the day seeing the rest of  
the sights & after lunch to Ghent
