

would not mind, that  
we come to you some  
day early next week -

It will be such a pleasure  
to go to you.

But I shall try to get  
round to see you this  
week, probably on  
Thursday, but pray  
don't stay in. I shall

be in your neighborhood  
I take my chance  
of finding you.

Very truly  
Your best friend

Please believe me, with  
best regards to Mr. Keble,  
Very sincerely  
yours

J. Keble
