16 Chyne Walk

Dear Mrs Corrie

If you have not
left town yet
(but I fear you
must have done so)
I wd like to have
an opportunity of
thanking you ^{how} ^{very} much
I have enjoyed
the Day-Dream since
you saw it. The face
in a picture gallery

gets the best touches
at the very last.
& I have done a
good deal to details
all over.

Any afternoon at
4^{to 5} would suit me,
if you would let me
know one line to
express you by.

Yours sincerely
D. G. Resnik.

P.S. It seems almost
abundant, now I have
written, to ask you down
to see the same
position again, so
I shall not be sur-
prised if you cannot
come.
